

## The Princess Bride (Mills & Boon M&B) (Long, Tall Texans, Book 20)

BE CAREFUL WHAT YOU WISH FOR He was everything Tiffany Blair wanted. He was danger. He was love and she was meant to spend forever with him. Trouble was, Kingman Marshall insisted marriage was for fools. But for better, for worse, Tiffany vowed she'd walk down the aisle as King's bride. King was equally determined to stay away from Tiffany. He was too old, too jaded and too burdened with secrets to indulge in fantasies of happily-ever-after with a sheltered princess. But if he succeeded in pushing her away, could he truly live without her?
