[Siren Everlasting Classic ManLove: Erotic Alternative Cowboy Romance, M/M, HEA] Welcome to Rescue for Hire West, a team of specialists ready to take on Americas rugged west to rescue victims in trouble. The first time Tristen Earl visited his brother, the teams tracker, Santos Elbarize, watched the flirty man entice the entire team with his charms. By the time Santos had warned the other men away, it was too late and Tristen was gone. Now Tristens back and heading toward the cooks rooms. Santos has other ideas. For Tristen Earl, finding men to warm his bed isnt a problem. Finding one who wants a forever is a whole different matter. Desperate and lonely, he sneaks into his brothers home ready to throw himself at a man hes shared one mediocre kiss with. What Tristen encounters is a big Brazilian who announces Tristen is his, before throwing him over his shoulder and taking him to his bedroom. Can Santos convince Tristen they are true partners while surviving forest fires, and rescuing accident victims? ** A Siren Erotic Romance
