

The Ultimate Bite (Mills & Boon Blaze)

One dark, wild night a mysterious stranger seduced Kim Wright, changing her forever. He did wicked things to her, things she never dared dream of. He even bit her! And by doing so, he transformed Kim from an inexperienced mouse to a sinfully sexy woman. A woman who craved more of what only Stephen could give her. Now, a year later, Kim has finally found Stephen again. And she still wants him, desperately. But Stephen is not like other men. He can't get attached to any one woman. Still, he can't resist sinking his teeth into Kim just one more time. Too bad Kim is not going to let Stephen get away that easily.
