

The Illustrated History of United States

The History of United States by Julian Hawthorne is in the public dominion, why I buy it? For the followings motives: In addition of the original text there are others complementary texts. These text are: Battles of Lexington and Concord in 13 chapters, Salem witch trials in 23 chapters, Witch and Witchcraft, American war of Independence in 9 chapters. Over 420 pages. The eBook is splendidly illustrated: over 70 illustrations. This is an interactive book. An Internet connection is not essential although it is recommended so the reader can take advantage of the many external links that are present in the work. The price is low and the eBook is for collection. A small jewel of eBook. For the lovers of the Story of United States.
