

The Unknown Twin (Mills & Boon Vintage Superromance) (Code Red, Book 3)

Lauren Conway almost didn't make it out alive. She owes her life to Alex Shields, the handsome firefighter who carried her from the burning office building. But when Lauren wakes up in a hospital bed, everyone—including her rescuer—assumes she's suffering from amnesia. They're convinced her real name is Dana. But Lauren knows she's not ill. What she doesn't know is who this mysterious woman is. And when she finds out, it will turn her life upside down.
