

The Virgin and Zach Coulter (Big Sky Brothers)

Cynthia Deacons was saving herself for the right man. That man was not Zach Coulter. The charming, second-born Coulter son had hired her to refurbish his family's legendary lodge. She refused to mix business with pleasure even if Zach was impossible to resist. But what happened once the footloose tycoon discovered Cynthia didn't play around she played for keeps? Hiring Cynthia to run the newly restored Coulter Lodge was a stroke of pure genius. The petite blonde hotel manager had the hands-on expertise Zach needed. But the bachelor rancher was finding it hard keeping his hands off her. Someday soon, Cynthia was going to give up and give in to the powerful passion zinging between them. He'd bet the ranch on it.
