

The Way to Happiness: A Common Sense Guide to Better Living

A motivational book giving 21 points for a happy living, covering personal relationships, taking care of oneself, children, competence, trust, loyalty, fairness, honesty, self-control, tolerance and many other aspects. The book appeals to anyone regardless of religious or ethnic background - having found an amazing common denominator of what any human being considers correct ways of living. The book is ideal not only for finding stability and motivation for oneself, but it is also perfect to give to others improving their behaviour in a gentle and yet effective way.
