

The Wealthy Greeks Contract Wife (Mills & Boon Modern) (Needed: The Worlds Most Eligible Billionaires, Book 1) (Needed - The Worlds Most Eligible Billionaires)

In his hand was a contract to prove she owed him thousands. And she was penniless. With her last pennies in her pocket, Elizabeth Wareham arrived in Greece to fight for what was hers. But her adversary, Ilios Manos, was like a man carved from mythology. Ilios would take her body if he had to; he was in that kind of mood. But the flicker behind her eyes belied an innocence he couldn't ruin. So he'd take the next best thing: he was a man in need of a wife. He would show her mercy, and she would take his name! Needed: The Worlds Most Eligible Billionaires. Three penniless sisters, pure and proud but about to be purchased!
