

The Westerby Inheritance: Changing Fortunes, Book 1; The Royal Series, Book 15

A lady of quality would not wager her honor to restore her families fortunes - or would she? Lady Jane Lovelace has conceived the idea of approaching the most notorious man-about-town, Lord Charles Welbourne, with a most unique proposition. When he counters her offer with a condition that he thinks will halt her impudence, much to the surprise of both, she accepts. A novel of passion and intrigue, The Westerby Inheritance is a thrilling installment in an emotionally charged romantic saga, all played out against a backdrop of elegant 18th-century society.
