

## The Wonder

In Emma Donoghue's latest masterpiece, an English nurse brought to a small Irish village to observe what appears to be a miracle—a girl said to have survived without food for months—soon finds herself fighting to save the child's life. Tourists flock to the cabin of eleven-year-old Anna O'Donnell, who believes herself to be living off manna from heaven, and a journalist is sent to cover the sensation. Lib Wright, a veteran of Florence Nightingale's Crimean campaign, is hired to keep watch over the girl. Written with all the propulsive tension that made *Room* a huge bestseller, *THE WONDER* works beautifully on many levels—a tale of two strangers who transform each other's lives, a powerful psychological thriller, and a story of love pitted against evil.
