

Works: With Notes Critical and Explanatory and a Biographical Memoir, Vol. 1 of 9 (Classic Reprint)

Ben Jonson s Works an exact reproduction, with improved type and paper, of the original of 1816, and the greater part of the Life being in fact set up in type before I became accidentally aware of their intention to enter upon such an undertaking at all, I was only in time to offer a few suggestions, which without in the slightest degree interfering with the integrity of Gilford stext, might make the work more convenient for reference, and place the reader in possession of the few new pieces which have drifted into light during the long interval of fifty-eight years since Gifford spublication.(Typographical errors above are due to OCR software and dont occur in the book.)About the Publisher Forgotten Books is a publisher of historical writings, such as: Philosophy, Classics, Science, Religion, History, Folklore and Mythology.Forgotten Books Classic Reprint Series utilizes the latest technology to regenerate facsimiles of historically important writings.
