

## The Works of John Ruskin (Classic Reprint)

Excerpt from The Works of John Ruskin It should be explained that No. III. In the foregoing list was not numbered by Ruskin as a volume in Bibliotheca Pastoram; it was too short for such. Vol. III. In the series was to have been a further selection from Sidneys Psalter. This, however, Ruskin did not publish. He had, however, prepared a portion of it for the press, and this additional matter, now for the first time printed, is here included in Rock Honeycomb. Finally, in an Appendix, given in this volume for a reason presently explained (pp. Xxxiv., is some matter which will throw a new light for most people on Ruskins many-sided interests - namely, examples of his setting of songs to music.
