Books 4-6 in the New York Times bestselling Worth Series The 3 Bad Luck Beck brothers try to get lucky Book 4: WORTH THE EFFORT If it was easy, it wouldnt be worth it. Deni Casparich has been obsessed with the story of the Brockway Mountain Hermit since she was a kid. Little did she know he was her hottie of a boss. Sawyer Beck is not the legendary hermit, but having spent the last ten years of his life in near seclusion, he might as well be. Pulled back into real life, Sawyer begins working together with Deni on his engineering firms big new project. Who knew protractors and slide rules could be so sexy?! But Sawyers haunted past and Denis shaky present are putting up obstacles at every turn. Can these two engineers build on a foundation of more than mutual attraction? Is their love...Worth The Effort? Book 5: WORTH THE PRICE Can Love Grow Again? Liv Beck loved her husband desperately, but that wasnt enough to keep him. A failed marriage has taught her whats important, and how to get what she wants. Unfortunately, shell need her ex-husbands help to get it. Twain Beck has dealt with the guilt of his divorce for seven years. Now he can finally make it up to Liv by giving her the one thing she wants most. But is the price too high? Spending time together reminds Liv how much she always loved Twain, but she knows she needs to protect her heart this time. Twain cant understand these new feelings hes developing for Liv. Could he be falling in love with his ex-wife? Is trying againWorth The Price? Book 6: WORTH THE LIES Oh, what a tangled web Kelsey Cameron has spent the past four years thinking about a man she saw for only a minute. But it was a good minute. Huck Beck is getting a second chance at fulfilling a dream. And he wont do anything to mess that up. Even if every time he looks at Kelsey he desperately

wants to do just that. Forced to pretend to be a married couple, Kelsey and Huck have to lie to Hucks family and friends. But in the end, are they really just lying to themselves?
