

Their Sub, Their Mistress [Club Esoteria 10] (Siren Publishing Menage Amour)

[Menage Amour: Erotic Consensual BDSM Menage a Trois Romance, M/F/M, public exhibition, sex toys, HEA] Two years ago, Lace Santeen was left scarred both physically and psychologically. Becoming a recluse, she designs BDSM wear and sells almost exclusively online. She reluctantly agrees to take part in Club Esoterias first fetish convention. The last thing she expects is to fall for the men Mistress Whitney sends to bring her to the club. Raven and Hawk Woolphe are instantly smitten with the woman covered from neckline to ankles and vow to uncover her secrets. In order to protect her at the club from other Doms, they put their collar on her then find that they like to submit to her will as much as they like bending her to theirs. When the weekend is over, will they still want her? Or will she return to her solitary existence? Will they continue to want to share dominant and submissive duties with her? Note: There is no sexual relationship or touching for titillation between or among siblings. ** A Siren Erotic Romance
