

Christianity Renewed Volume 2: Questions Christians Ask

The four books comprising Christianity Renewed 1-2-3 and 4 introduce simple but profound concepts, rich in historical facts. We are now living in the third millennium of Christianity and many sincere Christians are seeking ways of renewing the 2000 year old message of Jesus Christ to meet the needs of this global scientific society. Christianity Renewed Volume 2 explains the hidden mysteries of the New Testament and helps the reader to gain new insights into many aspects of Christianity for which explanations had previously been unacceptable to today's enquiring minds.
