

Bucking Bearback (BBW Shifter Cowboy Western Romance) (Bear Ranchers Book 5)

Sun Valley is being threatened by an evil werewolf corporation that has its eye set on destroying the place. Jeanie Buchanan is a pawn in this game of greed and revenge. Sent to Sun Valley to do a survey of the land, she is ill prepared for what she finds there. Mixing personal and business has never been Jeanies style but when Ryan Hunt comes to her aid, she can hardly believe her luck. In him she finds not only a hunk but a kindred spirit. Things heat up as the evil master minds of the plot to destroy Ryans home come to Sun Valley to seal the deal. But will Ryan and Jeanie be able to stop the council from selling the land to Petersen-Snow? Will they have to lose their friend to Petersens mad desire for revenge? When it all comes down to a duel, Jeanie has to face the possibility that she will lose the love of her life. This 15,000+ word novella has hot Bear Shifter action, a Happily Ever After, no cheating and no cliffhangers! Ive attached some free stories afterward as my thanks to you.
