

Thoughts for the Grieving Christian

For a person in grief, the night rarely brings rest and relief. Often that is when all the questions, hurts and tears find a way to come out. Doug calls that being lonely to the bone. In this beautiful book, Doug brings his best discussions about loss and the grief journey and how to find help and comfort along the way. He calls this book a conversation about grief. Blank pages follow each chapter for writing. Wonderful for the person who may be sitting up late nights searching for answers.
