A scared widow and her defenseless son have former marine Thad Pearson on red alert. Someone is systematically wrecking Lindy Southerlands life. First her house. Then her bank account. And unless the thug gets what he wants, her child will be targeted next. The woman jumps at every shadow, but refuses to go to the police. Why? With Thads every protective instinct in overdrive, he guards Lindy and her son as if theyre his own family. But keeping his scarred heart safe proves his toughest assignment yet. And leads him straight into a masterminds deadly trap.
