Samantha Bretton was seventeen when she got pregnant. It was the most confusing time of her life, when outside pressures helped her to see that she was too young to raise a child and too young to get married to Nick Kincaid. When Nick took their baby girl to raise by himself, Samantha gave up her rights to be Jessica's mother. Almost as if he's been waiting for her to come home. He's a man on his own, trying to raise his children. Sometimes he gets things right. Sometimes he needs a little help
