

Girl Code: An anthology

Introduction by Julie Ann Walker. Four best friends struggle with decisions that affect their lives, their hearts, and their futures. As sisters, they embrace the Girl Code.

Hope by Jessica Jayne: Josephine Joey Lockhart escapes her past, herself and her home town of Pearl, Ohio to Florida after high school. Years later, she meets a man that refuses to let her hide behind her camera lens and encourages her out of her shell. Will he be the one to push her to feel for the first time?

Live by Lea Bronsen: After seven years in drug hell, detoxing Juliette Juls Carrington returns to her hometown Pearl to attend her grandmothers burial. Once more rejected by her family, she has a swim in a pond nearby when a mysterious camper, an ex-drunk, coaxes her to come to his hut in the woods. Together they must fight their inner demons for a chance to love and live.

Faith by Cait Jarrod: Selena Bodine escaped into the United States Air Force to leave behind a painful past and the one man who she refused to let herself love. Years later, an urgent call from her father brings her back to Pearl, Ohio and face to face with the man she still loves. But will the secret that Cullen is investigating her threaten their second chance?

Persistence by D.C. Stone: Laydi Michaels has been running away from her past and bad memories for years. Finding herself wasn't an easy task, but she's managed to finally get to a point to where she wants to be. Only to wake up married to her boss, who fired her the night before. Wrapped in a case that puts her life in danger, and dealing with a grave situation back home in Pearl, Laydi figures out she wasn't close to finding herself, and now, she's risked everything.
