

This Love (Forever and Ever #45)

Flynns new play is premiering on Broadway and the gang is invited to come along. Except Sean has another idea on his mind. Despite being married to the same one woman for decades, he still focuses on her like shes the only thing that matters. Conrad and Lexie come back to New York, and Lexie chooses to stay with her mom. The second they enter the house Conrad is basked in love. Lexies family is full of three bickering women but he loves it all the same. Slade finally decides to meet with Don Murray, and the meeting takes an unexpected turn. Arsen and Silke are struggling more than ever. Just when Arsen thinks he got her back with a tender kiss, a deathblow is sent his way. Silke goes on a date with someone else. Ward and Clementine prepare for their upcoming nuptials, but their plans are stalled with a surprise.
