

To the Farthest Shores

Acclaimed and Award-Winning Authors Talent Continues to Win Fans It has been six years since army nurse Jenny Bennetts heart was broken by a dashing naval officer. Now Lieutenant Ryan Gallagher has abruptly reappeared in her life at the Presidio army base but refuses to discuss the inexplicable behavior that destroyed their happiness. Ryan is in an impossible situation. One of the few men in the world qualified to carry out a daring assignment, he accepted a government mission overseas that caused his reputation to be destroyed and broke the heart of the only woman he ever loved. Honor bound never to reveal where he had been during those six years, he cant tell Jenny the truth or it will endanger an ongoing mission and put thousands of lives at risk. Although Ryan thinks he may have finally found a solution, he cant pull it off on his own. Loyalty to her country compels Jenny to help, but she never could have imagined the intrigue she and Ryan will have to face or the lengths to which they will have to go to succeed.
