

TRACE - Part Two

The second part of TRACE, a three-part series from New York Times and USA Today best-selling author Deborah Bladon. Vanessa Meyer had finally taken on the task of learning more about her birth mother. The twisted path that brought her to her familys townhouse on the Upper East Side of Manhattan also brought her face to face with the man shes been spending most of her nights with. When Vanessa accepts the reality of why Garrett Ryan is connected to her sister, it changes everything for her. She has to decide whether confiding in him is worth the risk of losing him. As more of her past becomes clear to her, shes forced to confront the woman who took a promised future of love and stability away from her. Vanessa cant get back what shes lost, but she can gain an understanding of a mothers love shell never know. Will she risk everything shes built with Garrett for a brief glimpse into her birth mothers mind and heart, or will fate step in and force her hand?
