

## TRACE - Part Three (The TRACE Series Book 3)

The final part of TRACE, a three-part series from New York Times and USA Today bestselling author, Deborah Bladon. Vanessa Meyer has overcome the struggles of her past to build a life that she can be proud of. She's a nurse in the ER and her relationship with attorney Garrett Ryan fulfills her in a way that nothing else can. She has accepted the fact that her mother held damaging secrets but she's ready to move on and start a new life. Everything changes when a letter reveals a painful truth. It sets a series of events in motion that challenges Vanessa's connection to everyone in her life. When Garrett confesses his own surprising role in her past, Vanessa has to decide if tracing her family history is worth the risk of losing the life she's built for herself now. She wants answers, Garrett wants her, but can they both truly have the happy ending they desire? The entire series is now complete and available as a bundled set here on Amazon!
