

## Blurred Lines (Out of Line #5)

Once burned Finding my fiancée naked on my couch mightve been a good thing, if her ex-boyfriend hadnt been with her. For the past eight years Ive been a witness to the power of true love, but after getting burned Id decided there wasnt any hope for me finding it for myself. Until I met Noelle Brandt in a hotel bar. Maybe it wasnt the most romantic meeting, but the moment I met her I knew I had to have her. The more I learn about her, the more I know Ill do whatever it takes to keep her. Twice shy Id already found the love of my life, but Id lost that love forever. And Id been lost ever since. But one night a wounded man makes all of that go away. He makes me laugh, live, and feel alive. When he tells me he has no intention of letting me go, I finally begin to believe in the power of true love again. That is, until I find out who he really is and by then, its far too late to correct the mistakes weve already made. By the time we both know the truth, the lines have already been blurred beyond recognition.
