

Transformation in Christ

Considered one of the greatest mystics of the Catholic Church, St. John of the Cross was the author of the *Dark Night of the Soul* and other spiritual classics. While on the surface much of St. John's writings may seem stern and somber, he ultimately emerges, as a man overflowing with charity and kindness, possessed of a poetical mind deeply influenced by all that is beautiful and delightful. In this straightforward presentation, Ralph Martin brings the profound yet practical wisdom of the great medieval mystic down to earth on six audio tapes or CDs, presenting the teachings of this well-known saint in a way that makes sense to the average person. If you truly desire to grow in union with Christ, this series will make accessible the teachings of St. John of the Cross and enable you to look at the world from the perspective of God, rather than looking at God from the perspective of the world.
