

Treading Water Boxed Set

Ten years ago this month, I wrote THE END for the first time in TREADING WATER. At that time, I never couldve imagined the amazing journey I was about to embark upon and how it would change my life, my familys life and the lives of many of my friends and family who now work with me. But on that afternoon of May 18, 2005, all I could focus on was the singular feeling that comes with actually finishing a book for the first time. There are no words to describe the thrill, the sense of accomplishment and the fear of what comes next. I remember those feelings as if they were yesterday rather than ten long years ago. Forty-one books later, I still get a thrill out of writing THE END, but nothing will ever compare to finishing TREADING WATER. To celebrate the tenth anniversary of that amazing day, Im thrilled to bring you the Treading Water Series Box Set, available for the first time on May 18, 2015. Thank you to all the readers whove made the dream that began on that long ago day come true in every possible way. I hope you enjoy this box set! xoxo Marie
