

The Space Between Us (Treasure Harbor Book 2)

Avery Callahan, owner of Bounty Books, takes life a bit too seriously. Solid, dedicated, and hard-working, her life revolves around her store. Dating? Who has time for that? When rumors of the legendary lost treasure resurface, she despairs of all the attention it brings. The treasure is what caused an age old rift between her family and the Burtons and nearly tore her family apart. She'd rather ignore the whole mess, but that's impossible when the town is in a frenzy. When Brody Chance shows her attention, she can't help but roll her eyes. He's a grown man working at a pizza joint, not her idea of husband material. He's the last man she'd ever be attracted to, but her heart has different ideas. As she gets to know him, she uncovers a man of many layers, with more depth than she ever imagined. Maybe the space between them wasn't so far after all. *The Space Between Us* is the second book of the Treasure Harbor Contemporary Christian Romance series and can be read as a standalone.
