

Tristan: Finding Hope (Nova Series)

Tristan has always felt like a ghost. After a painful loss, he became all but invisible to his grieving family. So he dove headfirst into a dangerous life, sinking deeper until he felt he could disappear-and almost did. Though Tristan survived, staying on track is a 24/7 battle hes not sure he wants to fight. Then Tristan meets Avery, the girl with purple streaks in her hair and tattoos like secrets, waiting to be uncovered. Her smile is warm and inviting, but her sad, hazel eyes tell a different story. And the strangest part is-she can really see him. A girl like that might just keep Tristan out of the darkness ... or pull him right back in.
