

Tea and Trouble Brewing

You never know what you'll find in the Smuckers Oregon farmhouse. Perhaps teenage boys lighting WD40 on fire, an army of ants invading, opinions flying, or all the lights dimming. Dorcas Smucker, mom of six, gets her perspective back by brewing a pot of tea and escaping for a few minutes to sit and think. In this book, she invites you to join her for a cup, hear her tales, and then remember all the stories of your own.
