THERES A NEW MAN IN TOWNEx-lawyer David Severin came to Tourmaline to escape his problems. Psychologist Amy Simon came to Tourmaline to solve problems. But working at the counseling center run by Davids aunt, she couldnt help but notice that the brooding, private man had issues. And a great body.The first time Amy saw David she mistook him for the gardener. He was naked from the waist up, and his muscular chest was beaded with sweat from a day of hard labor. But underneath his rough exterior, Amy knew there lay a man filled with raw pain and endearing tenderness. So when his young daughter showed up on his doorstep, Amy couldnt help butting inand falling in love with them both. And thats when the trouble in Tourmaline began.
