

Truly, Madly, Deeply (Mills & Boon Blaze)

Ten years ago, Dustin Ramsey and Erica Mann shared their first sexual experience in the back seat of Dustin's red Mustang. And the interlude was a complete disaster. Now Dustin is facing a huge challenge taking over the family business. But before he does, he has to get past his one and only failure. His plan: to find and seduce Erica again. Only, this time he's got to do it right. Erica is amazed when Dustin shows up on her doorstep. True, he has a business proposition for her, but the look in his eye tells her what kind of proposition he's really offering. Erica has come a long way in ten years. Her newsletter, *Dateline: Dallas*, has gained her a reputation as the Dr. Ruth of the Dallas area. So if Dustin thinks he can just walk in and seduce her senseless, he'd better think again. Because Erica intends to seduce him first.
