

Twelfth Night Proposal (Mills & Boon Silhouette)

To love, or not to love? That is the question for widower Leo Montgomery, a boat designer who does anything to make his little girl happy except let himself fall for her sweet-faced nanny. Even if that nanny is staying in the bedroom next door. And even if he can't keep his mind off Verity Sumpter. Because beneath her drab clothes and plain-Jane glasses he senses there is a beautiful woman who could fill his heart with joy. And a woman who seems as wary of embracing love as he is. Still, can Leo find the courage to put a new spin on this beloved old play?
