

Twentynine Palms: A True Story of Murder, Marines, and the Mojave

Twentynine Palms is a compelling account of the devastating murder of two young girls by a troubled Marine in the rural California desert town of Twentynine Palms. More than just a murder-mystery, Twentynine Palms is a passionate dissection of desert life itself. How did such a grisly crime occur in the shadow of a military outpost populated by those who are sworn to protect us?
