

A Match for the Doctor (Matchmaking Mamas Book 5)

Talented interior decorator Kennon Cassidy had specific designs on what she wanted from life and after another awful breakup, romance definitely wasn't in that picture. Still, when she accepted an assignment to transform the new home of a widowed doctor, she couldn't help but be captivated by his two vivacious girls and the stoic man hiding behind them. Heart surgeon Simon Sheffield thought he was making a fresh start. The doctor wasn't looking for any complicated connection even with the beautiful designer who'd bewitched his children. But would he really need an X-ray to see that the vivacious Kennon was the prescription his family so desperately needed?
