

Twisted Affair Vol. 4 (Volume 4)

My life was almost back on track. I actually enjoyed my job. I had a gorgeous wife who my family loved, and an equally gorgeous girlfriend who I loved. But I couldnt shake this feeling that it was all going to hell soon. As Blayne Westmore tries to juggle the woman hes married to and the woman hes in love with, he begins to see that things arent as simple as hed hoped. He has no doubt that he loves Katka Dusek, the fun-loving and passionate younger twin, but he also finds himself thinking more and more about her more serious, intelligent sister, Livie. When he finds out the truth, however, it shakes him to his core and leaves him with the most difficult decision hell ever have to make. Dont miss the biggest twist yet in the penultimate installment of M.S. Parkers latest series, Twisted Affair!
