

EMPTY SECRETS (A Back Down Devil MC Romance Novella)

Jett is okay with wearing the Back Down Devil MC patch, fighting for the clubs honor, and staying clear of trouble and anything that resembles commitment. After a good ole fashioned bar fight, the last thing Jett expects to find is a woman passed out on his motorcycle. Worse yet, shes covered in blood. When Lena comes to and realizes where she is, her mind begins to scramble. The name of the game is survival. At all costs. She tells the sexy biker - Jett - that she cant remember anything... but the more time she spends with Jett the closer she puts him and the MC in danger. With a target on her back, Lena has to make the biggest decision of her life... the question is - how many hearts will be broken? And who will make it out alive? ~*~ London Casey is the pen name for bestselling romance author Karolyn James Sign up for the official Karolyn James newsletter and youll never miss a new release!
