

Two in the Saddle & Boones Bounty (Three Cowboys & a Baby)

Two red-hot reads by New York Times and USA Today bestselling author Vicki Lewis Thompson. Two in the Saddle: Travis Evans loved beautiful women and Gwen Hawthorne was definitely a beauty. But before he could make Gwen his, another tiny female stole his heart. Gwen might have been able to withstand Travis's sensual assault when he was just a charming cowboy. But when Don Juan turned into Mr. Mom, she was lost. Gwen knew her happiness was short-lived, though. Because where there was a baby, there had to be a mother. Boone's Bounty: Boone Connor liked being a loner. Women just got a guy into trouble and Shelby McFarland had trouble written all over her. But Boone couldn't leave her and her young nephew stranded in a storm. Just as he couldn't help falling for her and her too-tempting body. But as good as they were together, Boone couldn't make Shelby any promises. Because he'd just discovered he had a baby girl.
