

Sweet Irresistible You

From the NYT Bestselling author of MISTER O, comes a sexy new standalone romance...

Its hard to believe that the gorgeous Simon Travers is actually mine. Well, hes not really mine, but unlike all the other nannies in the city lusting after him I actually get to go home with him. Even if I am going home to cook dinner for his daughter. But no matter how much I want to run my hands through his hair or discover how his lips feel against mine, I know hes off-limits. Sure, hes the hottest single dad in the city, but I cant jeopardize our relationship just for a shot at something more...can I? I didnt mean to fall in love with her. The blonde beauty working day in and day out in my house is funny, smart, and kind-the complete opposite of my ex-wife...and the exact person I need watching over my five-year-old daughter. And who can blame me for falling into this kind of forbidden love when the woman I cant stop wanting is as alluring and as irresistible as her? But even with her golden hair and her perfume that smells like sunshine, I have to keep my hands to myself...I might want her, but I sure as hell cant have her. With all the heat, heart and humor youve come to expect from her books, Lauren Blakelys newest standalone is simply irresistible.
