

Midnight Sins (The Callahans Series)

FIRST IN A NEW SERIES Three men are bound by one tragedy that continues to bring danger and passion to their lives - and the women they love ...HE ALWAYS WANTED HER. His name is Rafer Callahan. He was a kid from the wrong side of the tracks who fought through life the only way he knew how: with his fists. But Rafer never meant to bring any harm to Cambria Flannigan, the girl-the lover-whose sister had been unable to save ...SHE LIVES IN FEAR OF HIM. Cami lost her sister in the brutal murders that rocked her home-town so many years ago. Some still believe that Rafe, along with his cousins Logan and Crowe, were involved. But how could Rafe-who haunted her girlish dreams, then her adult fantasies-be a killer? That is the question that keeps her up at night. SOON THEIR HEARTS WILL COME TOGETHER ...Now a prosperous ranch owner, Rafe is trying to build a new legacy for himself. Its finally time to settle the score with Cami-and make her his. But old wounds open up with a series of new murders ... and each of the victims has a connection to Rafe, Logan, and Crowe. With suspicion, fear, and loyalty tearing her apart, Cami is once again at risk of losing her heart - or her life.
