

## Undeniable: Tempted by Her Innocent Kiss//Undone by Her Tender Touch (Pregnancy & Passion)

From #1 New York Times bestselling author Maya Banks come two sizzling fan-favorite romances that cant be extinguished. **TEMPTED BY HER INNOCENT KISS** Devon Carter was Ashley Copelands first and only love, but her dreams of newlywed bliss are crushed by the discovery that their marriage is another of Daddys business deals. Refusing to stand by as their passions fade, Ashley decides to play the role of perfect wife, hoping her new husband will truly fall in love. But Devon doesnt recognize the steely society wife at his side. He misses the bubbly, ambitious woman Ashley used to be, and hes determined to rekindle the smoldering fire in her eyes, especially now that shes having his child. **UNDONE BY HER TENDER TOUCH** No strings attached? Yeah, right. Pippa Laingley should have known better. When an unplanned evening of passion with Cameron Hollingsworth results in an unplanned pregnancy, shes at a major crossroads. She knew going in that the sexy entrepreneur didnt do commitment, that emotions werent part of the deal, but then she discovers why: he once had a wife and child and lost them both. Tragically. Cam is convinced he stands to lose it all if he lets his guard down and opens his heart again. But Pippa doesnt see the difference between pushing someone away and losing them for good, and shes determined to show Cam how lasting love can be.
