Opposites don't attract. They ignite. The small Montana town near the Kooskia reserve seemed like the perfect place for Juliet Montgomery to hide from her not-so-law-abiding family. But when her peace is shattered by a break-in and threatening phone calls, it's clear someone back in New York knows where she is. It's time to plan her getaway, and fast! First, she needs to tie up a few loose ends and find out exactly what the town's sexy cowboy sheriff is hiding.
