

Undercover Sex Signals: A Pickup Guide for Guys

More than 95% of guys dont pick up on a womans sex signals. Heres how to make sure youre not one of them. Youre in a crowded bar, and the hottie across the room breaks eye contact to put on lipstick. Do you assume shes: a. Vain b. Rude c. Totally into you? If youve answered with anything other than c, youre dead wrong. Women are always giving off signals, and men are always missing them. In Undercover Sex Signals, bestselling author and communications expert Leil Lowndes shows how to score on every pass, with everything from the best activity for a first date to how a guy should dress to increase his odds for sealing the deal. Learn the twenty-six undercover sex signals and the real tactics that will teach you to: Master step-by-step foreplay from across the room Use right opening phrases (not lines!) Never hear the word no again Look for sex in the right places Win in the online sex game Develop the never-fail pickup Understand the perfect timing for when to ask, when to kiss, when to call, and other follow-up strategies With invaluable advice, Undercover Sex Signals ensures that youll never blow another opportunity again.
