

Understanding Reverse Mortgages: Increase Your Cash Flow and Minimize Your Stress!

This up-to-date and easy-to-understand book clearly provides the information you need in order to learn whether a reverse mortgage is the right choice for you. If you decide a reverse mortgage is a good solution, this book will guide you through the lending process of a reverse mortgage from beginning to end. A balanced approach is used to compare the positives and negatives along with common questions people usually ask about reverse mortgages. Three case studies will demonstrate how people could use a reverse mortgage to hit their financial goals and these situations may be similar to yours. Finally, the book will discuss what your adult children and heirs need to know to assist you and to think about the decisions they will need to consider when the loan becomes due and payable.
