

Unholy Hunger: A Novel (Lure of the Serpent)

Evelyn Barrett wants to die. As long as her daughters murderer dies with her, she is ready to go. Why did this man--this stranger--destroy her family? Why has he not been brought to justice? Why is she forced to live a life of anger and grief? Amid a million questions she cannot answer, Evelyn knows one thing for sure: this murderer must be punished for his crime. Perhaps the harder lesson is this: the ultimate truth--of crime and verdict, of life and death--cannot be swayed by a mothers revenge. In this first book of a new, page-turning series, a woman will be brought to her limits before she finally recognizes and reconnects with the source of true peace.
