

Horn of Tara: Holiday Hymns for the Universal Mother

Originally published as a chapbook in an edition of only 75 copies, and immediately out of print, e-book technology is a welcome method of bringing rarities to a modern readership. The hymns that make up the present volume are for the Mother Goddess Sophia, called also Sotaria, Tara, Durga, Magna Mater, Sabbath Bride, the Divine Shekhinah, or Mary -- for the Universal Mother (however greatly submerged) is even today a part of western religious tradition, needing to be remembered during holiday seasons.
