

## Until the End (Sea Breeze Book 9)

The backstory that fans have been clamoring for how Rock and Trisha fell in love is the final installment in the Sea Breeze series from New York Times bestselling author Abbi Glines. And don't miss the sizzling epilogue, where Abbi wraps up all the Sea Breeze couples stories! Trisha Corbin always knew how to hide a bruise. With her mom's boyfriends unable to keep their hands off of her, she had no choice. And as long as it meant the guys wouldn't go near her little brother, Krit, it was worth it. But her days of dreaming that Prince Charming would ever come rescue her are far, far in the past. Rock Taylor always had a plan. Through football, he would rise above the life he was born into. A full ride to play for a major college team was within his reach assuming he didn't let anything get in his way. But scoring a date with the hottest girl in Sea Breeze was proving harder than expected. Trisha Corbin was every man's walking fantasy, and she wouldn't even glance his way. When Rock finally does get Trisha in his truck, it isn't for a date. It's because he picks her up on the side of the road, beaten and bruised and walking to the local hospital. Before Rock knows it, football is no longer his life. Trisha Corbin is. And he'll do anything to save her. And keep her. In addition to Rock and Trisha's love story, this special conclusion to the Sea Breeze series contains the wrap-up stories of all your favorite Sea Breeze couples: Sadie and Jax, Marcus and Low, Cage and Eva, Preston and Amanda, Jess and Jason, Krit and Blythe, and Dewayne and Sienna. The steamy romance won't stop until the very last page!
