

## Valentine Collection (Valentine Anthology Book 1)

2 of your favorite short, sweet romance Valentine stories together for the first time! Valentine Surprise and Cupcakes and Cupids by Jennifer Conner. Valentine Surprise: For Cecilia, Valentines Day stands as a glaring remind of what she is-alone and in love with her best friends brother, Lee. When Lee asks Cecilia for computer help with signing up for an on-line dating service, will this be her chance to get him out of her head and her heart for good? But, does Cupid have his own Valentine surprise in store for this couple? Cupcakes and Cupids: Analeigh was on her way to make her first big delivery for her cupcake company, Let Them Eat Cake. Everything was perfect. That was until she was in a hit and run accident leaving her cupcakes as road kill. Analeigh thought there was no way she could save her cupcakes or her Valentines Day. But, she hadnt met Danny yet.
