

## Biker Babe in Black (The Chromes and Wheels Gang) (The Chrome and Wheels Gang Book 1)

Cursed with bad luck, and a stubbornness that gets her nowhere, Margarine Butter wants to shed her biker gypsy lifestyle for a white picket fence and a permanent address. When Ray offers her employment, she gambled with her desire for a new life and her attraction to the millionaire. Could she keep her distance and her identity secret long enough to secure her future? Business conglomerate, Ray Montgomery, couldn't believe the sexy waitress with the long blonde hair turned his money down after he accidentally got her fired from her job. So, when she whacked him with her leather studded purse and rode off on a Harley Davidson, he wanted to learn more about the woman who was not impressed by the size of his wallet. But would the price of loving her be his downfall?
