

# Vengeance

Her scars ran so deep, her soul had been severed in two. Michelene had killed and run but not far enough, or fast enough. They found her. Azriel had but one rule. No attachments. This rule had kept him alive. He had lived by it until her. She found her savior in a man whose past was even darker than her own and whose soul held shadows of that dark. He made her body explode in ways she had never imagined possible and gave her heart something she had long given up... hope. Michelene was his saving grace. The only thing which kept the darkness from consuming him. She was his to protect and cherish. God help anyone who challenged that--because Vengeance would be his.
